Michigan Gift Baskets Fall 2020

Our unique gift baskets are full of Michigan-made goods, beautifully presented to highlight the products. They make a unique gift for family, friends, and clients.

We use environmentally-friendly, biodegradable packaging in all our baskets. Shipping materials are reused or recycled and all shipments are carbon neutral.

We offer in-store and curbside pickup, delivery in the Greater Lansing area for a \$10 charge, and shipping to anywhere in the contiguous 48 states for a fee.

To order, please email friends@oldtown-generalstore.com or call us at (517) 487-6847, leave us your name and phone number, and let us know which baskets you are interested in and if you would like to pick them up or have them delivered or shipped. If you would like the items shipped, please include the recipient's name and address in your email. (This will speed up the process as we can calculate the actual shipping charge before we reply to you.) If you would like an enclosure note included with the basket, let us know what you would like to say and we can take care of that for you.

We can also custom build gift baskets if there is something specific you are looking for. We typically need 24 hours notice during the non-holiday season and 48 hours November 20th to December 25th on gift basket orders. (We will make equivalent product substitutions if needed.)

Thank you for your support of Michigan entrepreneurs and the Old Town General Store!
